

English for Starters is a communicative course in English, which takes into account the most modern methodology.

English for Starters Level 5 aims to stimulate the child's interest in learning English and to develop confidence through a range of enjoyable activities, including games, projects and songs.

The focus at this stage of the course is on all four skills – listening, speaking, reading and writing. An active use of language is promoted throughout the course, setting the foundation for successful language learning.

The course consists of:

- **A Pupil's Book**, which includes attractive and lively material to encourage pupils' interest in the language through a range of listening, reading and speaking activities, study boxes, songs and games.
- **An Activity Book**, which provides a range of stimulating reading and writing activities.
- **A Teacher's Guide**, which contains step-by-step, easy-to-follow instructions for each lesson and useful notes on the effective use of teaching aids.
- **A Cassette**, which contains all of the listening activities and songs for the course.
- **Flashcards**
- **Wall charts**

English for Starters is a communicative course in English, which takes into account the most modern methodology.

English for Starters Level 5 aims to stimulate the child's interest in learning English and to develop confidence through a range of enjoyable activities, including games, projects and songs.

The focus at this stage of the course is on all four skills – listening, speaking, reading and writing. An active use of language is promoted throughout the course, setting the foundation for successful language learning.

The course consists of:

- **A Pupil's Book**, which includes attractive and lively material to encourage pupils' interest in the language through a range of listening, reading and speaking activities, study boxes, songs and games.
- **An Activity Book**, which provides a range of stimulating reading and writing activities.
- **A Teacher's Guide**, which contains step-by-step, easy-to-follow instructions for each lesson and useful notes on the effective use of teaching aids.
- **A Cassette**, which contains all of the listening activities and songs for the course.
- **Flashcards**
- **Wall charts**
